JUDGMENT

Today a representation is made on behalf of the counsel for the petitioner seeking for a week's time to take steps. The matter had been posted for steps right from 2005 onwards and when the matter was taken on 1.10.2007, there was no proper representation and even the court was made to believe that steps had already been taken which is found to be incorrect in the light of the submission by the Registry. So, I feel that this is a case where time should not be given. Therefore Tr.P.(C). is dismissed.

M.N.KRISHNAN, JUDGE
